Interactive learning and information about using the internet and your computer.

Address: [www.bbc.co.uk/webwise/](http://www.bbc.co.uk/webwise/)

Ease of use: 4 out of 5

Overall rating: 4 out of 5

The Webwise site includes &ndash; an in depth course on various aspects of using the internet with tutorials, self-assessment quizzes and fun sessions for reinforcing learning; a question-based information search facility called &lsquo;Ask Bruce&rsquo;; a &lsquo;tutor&rsquo; with interactive exercises based on keyboard, mouse and screen navigation skills; a video guide to broadband including Wi-Fi; celebrity interviews with questions about how they use the internet and useful updates on relevant aspects of the internet by Bill Thompson.

Pros: Useful information for those beginning to use the internet and the new technologies associated with it.

Cons: User has to have quite good navigation skills.

Our View: A good resource for information about the internet and its facilities presented in an informative and entertaining way.
